

IAN JAKE A. SUMAYLO

Aspiring 2D Animator & Developer | BSIS / ACT Student

Midsalip, Zamboanga del Sur, Philippines | GitHub: lanjake-png | Facebook: Ian Jake | TikTok: @im2dy | Reddit: Zyth_0 | YouTube: im2dy

PROFILE

Motivated BSIS / ACT student with a growing interest in 2D animation, web development, and programming. Currently building practical skills in Java, Python, HTML, CSS, and JavaScript through academic projects and personal experiments. Eager to develop creative digital projects, strengthen technical skills, and grow toward a professional career in animation and software development.

CAREER OBJECTIVE

To become a professional 2D animator and developer by combining creativity, animation, programming, and web technologies to create useful and engaging digital experiences.

EDUCATION

- **BSIS/ACT Program** — College Student | Philippines
- **Senior High School** — Completed senior high school studies with technical and computer-related coursework.

TECHNICAL SKILLS

- **Programming:** Java, Python
- **Web Development:** HTML, CSS, JavaScript
- **Creative / Animation:** 2D animation concepts, frame-by-frame animation, visual design
- **Tools & Platforms:** GitHub, GitHub README customization, basic version-control workflow
- **Other:** Basic UI design, problem solving, project development, digital creativity

PROJECT EXPERIENCE

- **2D Animation Portfolio / Special Project:** Developing a professional GitHub-based project profile and CV submission focused on 2D animation and creative technology.
- **Web Development Projects:** Created and experimented with HTML, CSS, and JavaScript projects including interactive pages, calculators, games, and utility-style web applications.
- **Programming Projects:** Practiced Java and Python through beginner-to-intermediate exercises involving input/output, conditions, collections, game concepts, and utility programs.
- **GitHub Profile Development:** Customized a professional GitHub profile README to present technical interests, learning goals, projects, and social links.

CORE STRENGTHS

- Creative and interested in visual storytelling
- Willing to learn new programming and animation techniques
- Hands-on approach to academic and personal projects
- Interested in combining technology and creativity
- Persistent in improving technical skills

INTERESTS

2D Animation • Web Development • Programming • UI Design • Digital Creativity • Interactive Projects • Technology
